K-3 students must be accompanied by a parent at the bus stop in the morning.

Please make sure to verify your bus # and route times.

Please read the Parent Handbook for Student Transportation with your student.

Please sign the back page of the handbook and have your student return it to the bus driver.

After the first week of school, buses will not service stops that are not used by students.

If a student needs to use a previously unused stop after the first week, the student must obtain a bus pass from the Vista office and present it to the bus driver when boarding.

The buses may run late the first week of school.
