2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Vista is a 6th through 8th grade Title 1 Middle School. Our goal is to improve student learning through the use of effective teaching strategies and best practices developed through collaboration opportunities, staff professional development, and the use of common curriculum and assessments. Our dedicated staff focuses on building strong connections and relationships with our students to support student social emotional well-being and academic learning. We believe that all students will excel when academic excellence is expected, expectations are consistent and taught regularly, and enrichment and supports are provided to engage and support learning academically and socially to prepare our students for high school and beyond.

We have partnerships with community agencies to provide social emotional support and learning for students, college and career learning opportunities, and field trips that allow students to explore our local colleges. Through our electives and curriculum, students are exposed to art, STEM (Science, Technology, Engineering and Math), and languages as well opportunities to participate in band, choir, musical theater, guitar, and music appreciation. Vista also offers extracurricular sports. Our student leadership program provides students with opportunities to create student rallies, develop spirit weeks, run food drives, and much more.

Our vision is to have students...
"Learning Today, Leading Tomorrow"

A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Permits and Waivers	0.00	1.00
Misassignments	2.00	0.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	2.00	1.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	1.00	0.00

Local Assignment Options	0.00	0.00
Total Out-of-Field Teachers	1.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	11.1	0
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	7.1	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	14	12	17	17	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents play an important role in their child's learning. Vista Preparatory Academy encourages parents to be involved in school activities and events. School administration may be contacted for information about parent organization activities and meetings as well as our secretaries or our English Language Learner Assistant at 530-527-7840.

Some examples of activities in which parent involvement is welcomed and needed include: Parent meetings, Back to School Night, parent conferences, School Site Council, athletic events, school dances, field trips, Career Day, fund-raising activities, Open House, English Learner Advisory Committee (ELAC), and graduation activities. We have invited all of our parents to schedule a time to tour the campus and visit if they have any questions. Parents are given opportunities for workshops and support around middle school topics such as cyber safety, bullying and harassment, suicide prevention, vaping, human trafficking, and college and career.

2023-24 School Safety Plan

To keep children safe, our school must be prepared to respond to a range of challenges, including natural disasters, procedures for dealing with man-made hazards and behavior issues. These procedures as well as policies, and intentional instruction in behavior and establishing positive connections help to promote a safe learning environment and are part the school's comprehensive safety plan.

The Comprehensive School Safety Plan (CSSP) is a key component of school safety and required by state law. Every year, the CSSP is reviewed and updated with the school site council or safety planning committee and in consultation with a law enforcement agency or other first responders. Key elements of the CSSP include strategies to create and maintain a positive school climate and promote school safety, including procedures for a range of emergencies. Drills are practiced and training is ongoing throughout the year.

District-wide we are committed to Positive Behavioral Interventions and Supports (PBIS) to address behavior and social emotional development of students to maintain safe learning environments for all. Teams annually evaluate and monitor the implementation of PBIS and social emotional learning instruction and data to identify safety plan goals. Safety plans are readily available to the public and can be accessed at the school's office or website. Date plan was last reviewed, updated and discussed by staff August 2023.

Fiscal Year 2022-23 Types of Services Funded

The district's general fund includes funding for:

- General Operations: salaries, benefits, services, and materials
- Special Education: programs offering appropriate, individualized instruction to students with special needs
- Transportation
- Maintenance and Operations
- Special Projects: any monies from agencies (federal or state) earmarked for specific programs, projects or services

Each school receives an instructional budget based on enrollment, programs, and formulas set by Board of Education policy, state law, agreements with bargaining units, and guidelines of outside funding sources. The School Site Council (SSC) meets approximately once a month to develop, implement, monitor, and evaluate the school plan for student achievement. School plans align with the district's Local Control Accountability Plan (LCAP). Parent representatives are elected to the School Site Council and serve two year terms. All parents are welcome and encouraged to attend these meetings to learn more about our school funding and academic goals.

Professional Development

Professional development and collaboration are important aspects for continual improvement for all, students and staff. Three full days are dedicated to professional learning or "inservice," which occur when students are not in attendance. Every Wednesday is an early dismissal day for students. During these afternoons teachers have both planning and collaboration time. Teachers collaborate as Professional Learning Communities (PLC) utilizing the PLC process and the data analysis protocol to support teaching and learning. The PLC time occurs during collaboration on early dismissal days.

Professional development is delivered through workshop sessions, instructional coaching, and individual mentoring. New teachers attend orientation and curriculum training prior to the start of the school year. Instructional coaches provide job embedded professional learning and coaching cycles focused on student learning. New teachers are assigned a mentor as part of induction or as part of our district's "buddy mentor" program for teachers not yet eligible for induction.

This table displays the number of school days dedicated to staff development and continuous improvement.
